

1010XL ADVERTISERS SPEAK OUT!!!

"...I wasn't sure if radio advertising was going to be effective for my Youth Sport Photography company but I'll tell you, you wouldn't believe how many customers I ran into during our fall advertising campaign. I can't wait until our spring campaign."

Jeff Gump
Gump's Sports Photography

"...I received a couple of more clients from the radio even after they stopped airing, so that is good."

Tiffany W. Watts, Founder/Co-Owner
Oxygen8 Wellness Center

"... Thank you so much. The response has been outstanding. I truly wish it had not taken so long for me to advertise with you guys. "

Kenny Leigh, PA

"...Nader's Pest Raiders has been advertising with 1010XL since it's inception. I constantly hear friends, associates, customers and future clients raving about our advertising on 1010XL. A lot of our advertising is on sports radio and all of it is with 1010XL. Nader's Pest Raiders and 1010XL is a perfect fit and a long term partner of ours."

Randy Nader
Nader's Pest Raiders

"...its been very helpful and we've had great success with it [advertising]. The exposure has been great for us and we've already had several customers mention they've heard our ads."

Shawn Emling
Orange Tree Hot Dogs

1010XL ADVERTISERS SPEAK OUT!!!

"Expanding our promotional budget to add 1010XL to our media mix, continues to be a great experience for all of us at Edward's of San Marco! Jack, Gene and the entire 1010XL staff have definitely raised the bar in creative promotional packaging, imaginative consumer approach and superior project support. 1010XL's personal commitment to our store's success has facilitated the appearance of many new faces, the beginning of several customer relationships and many new friends. And certainly appreciated as well...the cash register is ringing along!"

**Dana Garnett, Owner-VP
Edward's of San Marco, Inc.**

"Even though we are a small account, we received the same level of service as a much larger advertiser"

**Curtis Batie , Vice President
Mandarin Football League**
